Your participation as either a sponsor or golfer to both will go a long way to help preserve the important services provided by FairView Counseling.

FairView Counseling and The Play Therapy Center is a 501(c)3 non-profit agency, founded in 1999. FairView largely introduced play therapy to the community and continues to be one of the only agencies providing both play and art therapies to the children, adolescents and teens in Berks County. We believe that healthy individuals make healthy families that go on to make healthy communities. Our friendly staff, relaxed environment, and convenient location offer children and families a comfortable and comprehensive approach to their mental health care.
